

Private Wadi Ta'ab Adventure

Hike into the wadi and scramble to reach the first abseil of 45 meters followed shortly by another abseil of 42 meters. Traverse the canyon by swimming through freshwater pools and jumping into pools from various heights. Be amazed by the unique geological formations of the canyon and the picturesque scenery along the way featuring numerous waterfalls. The greatest challenge of the canyon is the exit which is a 350-meter steep climb.
